

# Clowns

We provide various clown styles to choose from for your event. Performances are tailored to the age group present. Our entertainers use a combination of magic, music, puppetry, comedy, audience participation, and walk around clowning. In addition, depending on the clown requested, the performance may also include a combination of the following:

**Line Dancing:** Audience participates with the entertainer during the Chicken Dance, Hokey Pokey, Limbo, The Twist, Macarena, The Electric Slide, YMCA, and more...

**Face Painting:** Full face painted. Very colorful. Many themes to choose from including superheroes, princesses, kittens, dogs, tigers, bunnies, clowns, and more...

**Balloon Sculptures:** Elaborate balloon creations for each child including hats, animals, toys, tickle swords, and more...

**Magical Clowns:** Includes transformation tricks. For example: hat turns into plunger, silks into boxer shorts, napkin into real flowers. Magical appearances and disappearances of cards, money, etc. Bending flowers, comedy, great interaction with children.

**Circus Skills:** Juggling of clubs, boxes and balls, etc. Equilibrium techniques: spinning balls and plates. Unicycling, stilt walking, lasso shows, etc.
