

## **WHY HIRE A PARTY MAKER'S DISC JOCKEY?**

Let's begin with the fact that Party Makers is a professional entertainment agency. Our central Mass. location is open to the public and our office staff keeps our phones covered five days a week. If we are out of the office you can contact us by cell phone if needed.

Once you decide to hire us, our staff will be happy to help you with any concerns you have about music selection, event logistics, contract specifics etc. We will select the right person for your event eliminating the need for you to "preview" disc jockeys (*Wedding and Bar-Mitzvah Customers are always welcome to "preview" and pre-select their DJ's*) and you will always be able to speak to your DJ prior to the event if you wish.

### **WE KNOW WHO WE ARE GOSH DARN IT!**

At Party Makers we recognize the fact that Disc Jockeys are Disc Jockeys and Entertainers are Entertainers. With Party Makers you will never have to worry about a crazed, silly hat wearing DJ showing up at your party and running around the room with a plastic banjo while sticking their microphone into peoples faces and screaming "Y-M-C-A!!!"

All that having been said, we certainly want you to have a great time at your event. If you and your guests want to have fun, you will have it! Our DJ's will "read" the crowd and adapt to the personality of the crowd. We will make announcements in a professional manner and can supply party props, help facilitate contests, teambuilding, trivia challenges and more.

### **THE RIGHT SONG EQUALS THE RIGHT DJ!**

All of us at Party Makers are music lovers and so are the Disc Jockeys who work for us. We never lose sight of the fact that DJ'ing is first and foremost about the music. All of our Disc Jockeys subscribe to CD services that provide them with all the latest hits and have an extensive library of Recurrent and Classic hits. From Rock to Disco to Oldies, Techno to Club to Rap, from Adult Contemporary to Ethnic to Country and everything in-between, we have it all!

Our Disc Jockeys are friendly, properly attired, have well maintained pro audio sound systems and will work appropriate requests from your guests into their music selection. You will also receive a song/artist listing for you to pre-select request and provide to the Disc Jockey. Our DJ's will also be happy to mix in CD's from your personal collection if you would like them to.

### **WHAT IS THE MEANING OF LIFE?**

What does all of this mean? It means we care about your event and our reputation. It means we want you to hire us not only for your upcoming event but future events as well. It means we want you to recommend us to your friends and family. It means we will do our very best to help you make your event an incredible success. Most of all, it means we will do the right thing.

### **WE MIGHT AS WELL BRAG A LITTLE!**

Party Maker's provide Disc Jockey services on a regular basis to The Boston Red Sox, Waterworks/Summer House at Marina Bay in Quincy, Boston Billards, University of Connecticut, WPI, Harvard and Brandeis Alumni Houses, The Harvard Club Boston, Hanscom AFB Youth Center and many other individuals, groups and organizations.

We would like to do the same for you.
