Dear Jim,

I wanted to take a moment to **thank you** for the wonderful job you did of entertaining our group on the night of February 21st at the Brewery in Jamaica Plain.

You were extremely helpful in suggesting games to keep the group interested and because we have a very energetic crew here at Boston Beer which can be challenging. You managed to entertain them the entire night with no sweat!

I wish you the best in your future endeavors and will be definitely call on you again when the need to entertain arises!

Cheers!
