Dear Boston Party Makers:

On behalf of the Senior Class I'd like to thank you and your staff for for the extraordinary effort to make our Senior Reception a very memorable night. Our two Dee Jays, Mark and Eric, kept the students entertained throughout the evening.

The selection of music was outstanding, and their willingness to please our students made for a very memorable affair. I will highly recommend your company for any future events our school plans to hold.

Again, my most sincere thanks.

Sincerely,
