Dear Eric:

Just wanted to let you know that I have heard nothing but praise for Ken Brooks' performance as Charles Dickens reciting/performing "A Christmas Carol" at our Christmas party December 1, 2001. As you may recall, I was unable to attend so I was extremely pleased to hear that everyone had enjoyed the evening's entertainment.

Some of the comments that I have heard include:

"It was extremely well-done and performed."

"He (Ken Brooks) WAS Charles Dickens."

"We had tears in our eyes at the end. He made us believe his earnestness when he said 'God Bless Us, Everyone!' and it was powerfully delivered."

I would also like to extend my gratitude to you for your professionalism in making these arrangements. I never felt pressured to book an act that wasn't appropriate for our group. You listened to my concerns and requests, and then provided some choices from which I was able to choose Mr. Brooks.

I recommend your company to anyone wishing to book entertainment for their function. I look forward to working with you in the future.

Best wishes for a happy holiday to everyone at All Access!
